SUBJECT - Levy of Health Cess

In continuation of this office letter of even No dated 4th Ma 1953, I write to state that the Revenue Officer has been reminded to forward the D C B statement of Health Cess for the current year and on receipt of the same, it will be forwarded to Government From the next Official year onwards the Cess will be collected on Taxes on Vehicles and Animals also as already intimated in this Office letter dated 24th December 1952

In this connection, I wish to point out that no collection charges are allowed to the Corporation, who are the collecting agency both with regard to Education and Health Cesses although they have to pay 15 and 12½% as collection charges to the Government in respect of Moto- Vehicle Tax and Entertainment Tax respectively The Corporation and the Standing Committee (Taxation and Finance) have many a time observed during their meeting, that the Government should be moved to establish a reciprocal arrangement in such collections

In the circumstances I request that the Government may be pleased to examine this question and issue orders allowing a certain percentage in lieu of collection charges for Health and Education Cess

I may be permitted to state in this connection, that the collection charges on the Entertainment Tax, Service Charge, Vehicle Tax, etc , are being recovered by the Government, eversince those contributions are being paid So also, as the Corporation has incurring expenditure for the collection of Education Cess and Health Cess eversince they are being levied, it is but right that collection charges has to be paid from that date of the levy of those Cesses I, therefore, request that the Government may be pleased to issue orders sanctioning the deduction of 10% collection charges with effect from 1st July 1942 in respect of Education Cess and from 1st April 1952 in respect of Health Cess

SUBJECT - Collection Charges at 10% in respect of Education Cess and Health Cess

---

I write to state that, when the subject was placed before the Corporation along with the letter No Fl (B)2402 dated 26-5-55 received from the Financial Secretary to Government (copy enclosed) it was resolved at the meeting held on 29-6-1955 that their previous Resolution dated 7-4-1955 that the collection charges at 10% towards the above items be claimed from the date the collections were commenced by the City Municipality and the Corporation be reiterated (vide copy enclosed)

2 In this connection, it may be stated that the Government are levying charges at a certain percentage towards expenditure on the collection of Entertainment Tax, Service Tax Mileage Cess, Vehicle Tax, etc , evesince the contributions on the above items are being paid by Government to the City Municipality and the Corporation Similarly, the Corporation is incurring expenditure towards the collection of Education Cess and the Health Cess and it is but fair, that the expenditure in the above items should be borne by Government I, therefore, request that the Government may be kindly moved to reconsider this matter and accord sanction to the collection charges in respect of these two items collected by the Municipal Agency from the date of their levy
